

Sometimes, an apple is all it takes to start a great project.

Year 8, Geography

How do we move on?

- Zolie: History of apples interesting
- Jonas: where and how they grow
- Tim: Find out why the phone is called "apple"
- Zarno: How the apple is "constructed"
- Marco: Find out why they're red/green
- Katinka: why there are different types
- Fabio: Look at the apple's nutrients
- Sara Mik: taste → Sour & Sweet
